

## Yeah, baby

Heads up, yummy mummies. Belly Maternity offers more than just great expectations. Eva Salem, a former marketing exec with L'Oréal in New York, conceived this baby after listening to her Toronto friends complain about not being able to find fashionable maternity clothes. The Toronto boutique is the only

Canadian retailer to offer such lines as Liz Lange, Diane von Furstenberg maternity and Earl Jean — faves of celebs Sarah Jessica Parker and Kate Hudson. So, go ahead — be fashionably late! 615 Mount Pleasant Rd.; 416-440-1734; [www.bellymaternity.ca](http://www.bellymaternity.ca).
